- Camp Fees were raised to remain compliant with minimum wage and food inflation.
- If less than 90% of your camp site's capacity is filled by your Troop, you will be sharing a site with another Troop.
- Your site & week are not guaranteed until your deposit with projected attendance is paid.
- If your initial payment is for fewer of Scouts than your Stake A Claim, your Troop may be required to move to a smaller campsite or share your site.
- Camperships are only available to GGAC Scouts attending Camp Royaneh, Camp Wolfeboro, or Wente Scout Reservation & may only be applied to one camp per year.
- The deadline for applying for Camperships is April 30, 2025. No late applications can be accepted.
- Arrow of Light Scouts may apply for Camperships until May 28, 2025.
