

# \$100 off First Time Campers Discount

Scouts are considered a First Time Camper if the Scout has never attended a resident Scouts BSA Summer Camp before.

Scouts are **not** eligible for this discount if they have previously attended any GGAC Summer Camp (Camp Royaneh, Camp Wolfeboro or Wente Scout Reservation), or if they have attended any other out-of-council resident Summer Camp in the past.

**AOL Crossover Scouts registered before March 23, 2026:** Scouts who are registered with a Troop's Summer Camp registration (on 247scouting.org) as an "AOL Crossover Scout" registration type by March 23, 2026 will have the \$100 discount **automatically applied** to their registration. Discounts will be applied beginning Monday, March 23, and will be applied until Friday, March 27. If you had AOL Crossover Scouts registered before March 23, 2026 and do not see the discount applied to them after Friday, March 27, please email [kara.posey2@scouting.org](mailto:kara.posey2@scouting.org) with the names of the AOL Crossover Scouts who should have received the discount, but have not.
